

# SEASONING DRY MIXES

*Your food service & food industry partner in customized recipes and standardized solutions*

### SEASONING MIXES

Our seasoning mixes are made with selected ingredients to add subtle character to each recipe you prepare without overpowering the dish. They are all designed to suit different foods, some are mixes to enhance red meat, some are for poultry others work best with seafood and vegetables.

Try them in ethnic and authentic dishes, simmered beef & lamb stews, to name a few.
