

# VEGGIE BURGER POWDER MIX

*Your food service & food industry partner in customized recipes and standardized solutions*

### VEGGIE BURGER

Our veggie burgers are made with wholesome vegetables, grains and legumes, and for added flavor, we have packed them with a healthy dose of aromatics and herbs, and other ingredients to keep this burger light and fresh.

These hearty burgers once cooked are pleasantly crunchy on the outside, soft on the inside.

Easy and fast to cook, these burgers are ideal to prepare on hectic weeknights, to take to work, or to grill at a summertime picnic. You could make an extra batch and keep them in the fridge for a last minute meal.

Delicious with a smear of mustard served on a bun or a lettuce cup, these veggie burgers would pair well with a side of zucchini oven fries, a bowl of creamy polenta, or a crispy Caesar salad.

Our vegan burgers are so delicious it's hard to believe they're meatless!
