CRACKERS & SALTED NUTS

In order to meet the changing consumer needs and evolving food market trends, we have been working on producing and developing various flavors for crackers and roasted nuts that bring innovation, authenticity in taste, and quality.

Tailor-made and customized blends are available helping businesses to introduce new products easily and to have unique offering.

This group of product is made from a rich blend of spices, extracts and flavors that respond to several production processes and cracker type whether they are baked, fried or extruded.
